

**Martin Bastuba, M.D.,
F.A.C.S.,
Medical Director**

A Detroit, Michigan native, Dr. Bastuba attended undergraduate and medical school there before completing general urology training at Emory University Affiliated Hospitals, Atlanta, Georgia. He became the first resident physician ever accepted into

Boston University School of Medicine's prestigious combined Fellowship program for male fertility and sexual dysfunction before bringing this specialized training to the San Diego area.

Dr. Bastuba, a Phi Beta Kappa, has earned numerous academic achievement awards, is board-certified by The American Board of Urology, and is currently a clinical instructor in urology at the University of California-San Diego's School of Medicine.

He is a frequent guest lecturer and author, serves as a consulting medical expert for local and national TV, and has published and participated in a number of research studies in his areas of expertise. His professional memberships include the American Urological Association, American Medical Association, the American Society of Reproductive Medicine and the California Medical Association. He served as president of the San Diego Reproductive Endocrine Society and is a board member of the San Diego Urologic Society.

Patients seeking the specialized diagnosis and treatment associated with male fertility and male and female sexual dysfunction can benefit greatly from Dr. Bastuba's years of experience, practical knowledge and technical skills. His impressive credentials, compassionate, patient-friendly approach, and high success rate make Dr. Bastuba uniquely qualified to effectively evaluate, diagnose and treat the most challenging of cases.

If you would like more information about Dr. Bastuba and his very specialized practice for the treatment of these conditions, please call 619-697-2456 or visit him online at www.malefertility.md. or www.sexualmedicine.md.

FINDING A WAY...TOGETHER!

Welcome to Male Fertility & Sexual Health Specialists

As San Diego's leading subspecialist in male fertility and male and female sexual dysfunction issues, Martin Bastuba, M.D., F.A.C.S., gives hope to couples who have been unable to conceive, and to men and women who are experiencing the anxieties and frustrations of sexual dysfunction. He offers complete diagnosis, treatment, prevention techniques and education for his patients.

He is the only board-certified urologist and Fellow of the American College of Surgeons in San Diego to offer these highly specialized medical services.

Dr. Bastuba's experience and technical proficiency are complemented by his unique approach to patient care and service. Understanding that fertility and sexual dysfunction issues are complex and often confusing, he believes strongly in patient education, and in creating an environment in which his patients will feel comfortable with their treatment options and choices. Dr. Bastuba is fiercely committed to working hand in hand with his patients, and taking the necessary steps to achieve optimal results.

Working with several local hospitals, his diagnostic and treatment facilities feature the latest technological advances. These resources, and a dedicated and skilled staff of technicians, allow him to offer a combination of services that are unique and simply unavailable elsewhere in San Diego County or the surrounding region.
